

Bowls Newsletter January 2026

News

Storage Units

Possible extra storage in units are now being built adjacent to the Bowls Club. We have asked the Parish Council for some space but there is a lot of demand from other village organisations.

Nursery Building

We have worked with the builder of the Nursery by providing water and electricity, for which we will be reimbursed. Service trenches to the Nursery are being dug in the area outside the Bowls club. The disruption should be minimal and will be finished before the start of the season.

Club Bar

It is hoped that the Club will be granted a license for a bar for our members and guests. Work is underway with this and plans being made as to how we will organise the bar and alcohol storage.

Evening Roll Up

The possibility of resurrecting the Thursday evening roll up has been discussed. Please give this some thought before coming to the preseason meeting.

Work

Reduction of the laurel hedge is ongoing.
Working party in March. Colin Brand will update later.

Events

Preseason meeting Wednesday March 18th at 3 pm

Kay has been busy producing the fixtures card and they will be available at the meeting

Please pay your subs (£70)to the treasurer by bank transfer before the meeting

Quiz Saturday 18th of April

Graham Schneider And Sue have the Quiz in hand .

There is a poster ready to go

We hope that all members will come along and hopefully bring some friends with them

We will try and sell more tickets in the village.

Volunteers will be needed to help with food the preparation, setting up and clearing up on the day.

Please bring raffle prizes to the preseason meeting or give direct to Graham.

Members Open Day Sunday April 26th 2:30pm
